Intern in China

Beijing, China...WOW! Who thought it would be possible to do an internship here, and for such a good price?

Adelante is launching “Adelante International Internships – Beijing”. To begin with there are just two start dates, 1 – 3 month program lengths only, minimum 5 candidates. Why? We want to make it perfect and China is wholly different than our other program locations (all Spanish speaking countries & culture), where we have been providing International Internship Programs for 12 years.

Beijing means traffic, the Olympics, Hutongs, the Forbidden City and Tiananmen Square. But it also means an AMAZING music scene, uber-chic hotels, a 60 year old Beijing Film Academy, 52% green space (really) and a bunch more surprises that you can only fathom if you go. So apply now, space is limited and we are the best at what we do.
